

Alabama Chapter Employee Assistance Professionals Association

2018 Annual Conference Vendor Information

Thank you for supporting the 2018 Alabama Chapter of the Employee Assistance Professionals Association's 31st annual conference. We wanted to provide some information to you concerning our conference and lodging in the area for your convenience.

Brett-Robinson, the company that manages our conference location, sometimes offers multiday package deals when you book for the week. Our conference usually runs Tuesday through Friday, so most attendees and exhibitors take advantage of the deals that Brett-Robinson offers so they can make sure they get some beach and tourist time in during the week of the conference.

If an attendee or exhibitor does not want to stay in a 3 or 4 room condominium, they may still stay in any BrettRobinson managed property and still be able to get the group rate or special discounts BrettRobinson may offer. You may want to mention you want to stay near the Phoenix West (Group number 1173100 Brett/Robinson's reservation number is 866.814.0683.)

There are also many hotels near the Phoenix West in Orange Beach, AL. Please see our website for more information at <http://www.eapa-al.com/area-lodging/>

If you are displaying a booth we ask that you set it up by 10 am on 1 May. You may also set up Monday night. Please call 256.282.6828 on 30 April if you would like to do this.

We will have a door prize drawing and you are welcome to participate with an appropriate item. The door prize drawings will be during our lunches on Wednesday 2 May and Thursday 3 May. If you participate, you will be allowed to give a 1-2 minute promo speech about your products or services. We will assign a time to you during one of the lunches.
